Prices and specifications are subject to change. Click the link to view the latest information: [9/16" I.D. Black Plastic Snap Rings](#)

Our black plastic snap rings have an easy to use one piece snap closure design. Simply press closed for hanging of signs from wire or monofilament or to make light weight sample swatches.

Rings have a 5/8 inch inside diameter when they are opened and when they are closed the inside diameter is 9/16 inch. The total outside diameter is 7/8 inch. There are 100 rings per package.

Features

- Rings have a 9/16" (13.5 mm) inside diameter.
- Rings are made of tough Delrin thermoplastic.
- Use to fasten swatch books, brochures and light-weight signs.
- Use as low-cost and highly finished alternative to steel snap rings.
- Shipped in open position for quick assembly.
- Light weight yet very durable.
- Locks securely, yet the fastening is nearly invisible once closed.
- Can be reopened and reused.
- **Sold in packages of 100.**
