The 27 inch EZ Roll Laminator has been Discontinued and replaced by the [Minikote EZ 27" Laminator](#). See our [roll laminating machine index](#) for a complete list of our current machine models.

Extra wide, easy to use roll laminator. A high quality laminating machine for use with the economy films (1.5 mil and 3 mil). An excellent roll laminator for organizations where many people must use the equipment. Also a good choice for those who do not wish to spend the time learning to use a complex laminator.

Features

- Laminates documents up to 27" wide
- No complicated setup - pressure, speed, and tension are preset
- Adjustable temperature to accommodate different films
- Reverse switch to quickly clear wrap-ups
- UL and CSA approved
- Optional variable speed control
- Optional 220 volt model available
