The ClassicCut CL800 Pro Manual Stack Cutter has been discontinued. See our [Paper Cutting](#) index for a complete list of our current products.

ClassicCut CL800 Manual Stack Cutter is for office and light commercial use.

- 12" maximum cutting width
- Cuts up to 150 sheets of 20 # paper at a time
- Adjustable stack clamp aligns and locks paper in place for accurate cutting every time
- Alignment grid on base is marked in 1" increments to insure precision cutting
- Battery-operated power switch activates unique line of light to clearly indicate cutting position
- Handle is mounted above the cutter to save space and allow smooth cutting
- Steel cutting blade features high frequency hardened edge for long lasting sharpness and durability
- Handle lever protects fingers by keeping handle safety lock in place until released
- Dual scale paper guide with imperial and metric measurements
- Requires 2 AA batteries (not included) for cutting line indicator light
- Limited 10 year warranty
