Barbed strings are most often used in light-weight sign hanging and with mobiles. They can also be used to connect multiple sign panels to each other. This barbed string is available in black or white, and in lengths from one to twelve inches.

Features

- Available with black or white polyester string.
- 1", 2", 3", 6", 9" and 12" stock lengths.
- Metal barbs on both ends.
- Additional lengths and elastic string are available as custom orders.
- Use for quick connection of multiple sign and mobile panels.
- Use when sign movement is desired, such as with mobiles.
- Barbed ends slip easily into pre-drilled or punched holes on your sign panels, then turn 90° to hold the panels in place.
- Sold in packages of **100** only.
