With its modern and compact design, the iWire punch and binding machine is the perfect all-in-one solution for any office environment.

Features

- Hardened Punch Die System: Individually cast-hardened and heat-treated steel punch dies ensures many years of trouble-free operation.
- Modern & Compact Design: Sleek and stylish design that fits in any professional office or copier room.
- Easy & Efficient Operation: Simple 2-step setup & 15-sheet single punch capacity makes your binding job easier than ever!
- Wire Measuring Guides: Built-in guides help determine the correct wire size to be used for any given book thickness.
- Available in 2 versions: iWire 3:1 version binds up to 9/16". iWire 2:1 version binds up to 1-1/4".
- Vertical Punching: For easy alignment of sheets and reduced punching errors.
- Anti-Dust Cover: Keep the inside of the machine clean & dust-free when not in use.
- Ergonomic Handle: For a smooth and effortless punch every time.
- Wire Size Guide
- Waste Drawer
- Wire Holder: Holds wire in place for easy insertion of sheets.
- Wire Size Selector: Determines the best wire size to be used on your document.
- Wire Closer Selector: Slide the selector bar & set the wire closer according to your wire size, for a secure closure every time.
- Side Margin Control: Guarantees a well-centered punch on each document.
