This punch has been discontinued by the manufacturer. The recommended replacement is the [1/4" Plastic Card Punch](#).

This 1/4" hole punch is a heavy duty hole punch with an extra long handle. The longer handle gives you more leverage, so you can punch more sheets at one time. It can also punch up to 32 mil plastic. It has a 7/8" reach and it is 7-1/2" long over all and weights only a pound. It is perfect for punching holes in card stock for scrapbooks, cardboard, school id cards, and so much more.
