The VeloBind System 1 / GBC V800Pro is an economical velobind machine that is capable of binding up to one inch documents. It is comprised of a manual punch and an electric "hot knife" binder. The System 1 also known as the GBC V800Pro is the model that replaced the older Velo-bind 123 model. The System One velo binder is a time tested durable punch and bind for medium duty usage. For heavier duty usage see our [System 3 Pro](#)

Features

- Securely binds up to 1" thick documents
- Manual punch up to 1/8" thick paper
- Punches and binds up to 14" paper
- Binds in approximately ten seconds
- Indicator light to tell you when binding is complete
