The EZ 2 Roll Laminator has been Discontinued and replaced by the [EZ Laminator](#)

See our [machine index](#) for a complete list of our current machine models.

Extra wide, easy to use roll laminator. A high quality laminating machine for use with 1.5 mil & 3 mil laminate roll films. An excellent roll laminator for organizations where many people must use the equipment. Also a good choice for those who do not wish to spend the time learning to use a complex laminator.
