Prices and specifications are subject to change. Click the link to view the latest information: <u>DocuCrease 52 - 20 1/2" Score &</u> <u>Crease Machine</u>

The DocuCrease 52 has been discontinued. We recommend the <u>CR818 Manual Creaser</u> instead.

The DocuCrease 52 can score up to 20.5 in length and is designed to score/crease documents or prints that can be damaged easily due to cracking of printed ink. The score/crease is applied by pressure rather than a rotary method, which can allow cracking, tearing or tracking. This manual tabletop machine requires very little effort to pull down the handle for a precise crease. The DocuCrease 52 is configured for either left or right-handed operation and is ideal for any application that requires a perfect score, including greeting cards, etc.

Features

- Max Sheet Width: 20 1/2"
- Max Paper Weight: up to 12 pt. cover
- Max Score Length: 20 1/2"
- Min Score Length: 1"
