

ADSS Wire Closer

[01ADSSCLOSER]

Prices and specifications are subject to change. Click the link to view the latest information: [ADSS Wire Closer](#)

The ADSS Wire Closer has been Discontinued and replaced by the [HD8000 Twin Loop Wire Closer](#)

See our [Wire Binding Machines index](#) for a complete list of our current machine models.

Produce wire-bound books using your plastic comb binding machine. Just punch your document with your plastic comb binding machine, insert the correct size 19 loop wire, and close with a wire closer. Can be used with 19 loop wire, 32 loop (3:1) wire, or 21 loop (2:1) wire.

Features

- Closes wire up to 1" diameter
- Binds documents up to 12" long
- Compatible with all standard punching machines: comb binding, 3:1, and 2:1 pitch
- Integrated wire holder for easy insertion of pages
- Sturdy metal construction
- Easily adjusted to any wire size
- One year warranty
