The PH1250M Manual Stack Paper Cutter is a 12.5" commercial quality tabletop cutter that's perfect for small print shops, schools, and businesses. This unit has all the features needed to cut large stacks of paper! It can slice through a stack of paper up to 12 1/2" wide and 1 1/2" thick, approximately 330 sheets.

A safety latch keeps the unit from cutting until released for safe, worry free use. It has a scale bar imprinted in inches and centimeters. A clamp holds stacks securely to prevent shifting and moving while cutting.

The base is made of heavy duty steel for long term durability and has non-skid feet for stability.

Features

- Manual Paper Clamp
- Manual Push Paper
- Safety Blade Lock
