Nylon cable ties are used to affix signs to store shelving, or to connect tags to product. The cable ties are tamper resistant since they must be cut to be removed. Easily adjusted, cable ties are well suited to rapid hand assembly.

Extra long ties are available in 36" and 48" lengths. Sold in packages of 100.

Features

- Ties are made from #6/6 natural nylon.
- 36" long ties are 175 lb. test and have a maximum bundle diameter of 11.25".
- 48" long ties are 175 lb. test and have a maximum bundle diameter of 14.5".
- **Sold in packages of 100.**
- Use for secure, tamper resistant connection of tags to product and to mount signs to shelves, displays, and poles.
