The CoilPro 2000 is a manual spiral coil punch and bind machine. It punches up to 18 sheets of 20 lb. paper in the 4:1 coil punch pattern. It has sturdy all metal construction and comes with a manual coil inserting table.

Features

- Hardened steel dies for a clean and precise punch every time
- Binds up to 300 books per hour
- Side margin guide allows the user to center the punched holes along the binding edge
- Margin controls adjusts the depth the holes are punched from the edge
- 14" open ended punch allows punching of documents wider than 14"
- ISO 9002 quality
- 53 punch pins may be individually disengaged to allow punching of other common width books
- Strong, high quality all metal construction
- Punches round holes (4mm radius)
- Punches the industry standard 4:1 hole pattern for spiral plastic coil binding
- Punches 15-18 sheets of 20 Lbs. bond paper at a time
- One Year Warranty
