The CoilPro 1000 spiral coil binding machine is a modern punch and bind machine for 4:1 plastic coil binding. This effective manual punch and bind machine punches 10-12 sheets per punch (20 lb. paper)

Features

- Hardened steel dies for a clean and precise punch each & every time, even when punching delicate or hard to punch materials, such as PVC, PP, Polyester, etc.
- The "U" shape handle strengthens punching power, for an effortless hole punching.
- There is a side margin guide to evenly center the document
- ISO 9002 quality
- An inserting table channel aids with the inserting of coil for faster and more efficient bind
- Heavy all metal chassis with hardened steel punch dies provide years of worry free punching.
- Hole Punch - Round (4mm diameter holes)
- Pitch: 4:1
