The Auto Pro Plus has been discontinued by the manufacturer. It is replaced by the [Auto Pro Touch Numbering Machine](#).

The Auto Pro Plus is a affordable Numbering Machine with 18" wide feed. Simple operation and reliability in every day use.

Features

- 18" wide feed
- Self fanning automatic bottom friction feed allows for continuous feeding without stopping.
- Capable of mounting up to four perf and or score wheel assemblies
- Feed rail micro-lateral adjustment for easy setup of number-perf-score locations
- Number single sheets or crash number up through a 10 part carbonless form
- Gothic (6) wheel reverse numbering heads offer (8) repeat sequences: 1-6, 12 & 20, and 3 drop-away zeros.
- Each numbering head can be programmed individually for multiple numbering
- Numbers vertically and horizontally - heads rotate 360 degrees at 90 degrees increments
- Sheet Size : 4" x 4" to 18" x 20"
- Quickly change from perf to score in a matter of seconds
- This model is available with 1 or 2 numbering heads, please specify
- Optional stand available
