[60964]

Your Price: $1,300.00

Prices and specifications are subject to change. Click the link to view the latest information: Max 180" Utility Cutter

The manufacturer has discontinued production of the Max series cutters. We still have a few left, so call now to reserve yours!

Ideal for producers of large format images. Unique box-frame design provides straight, square and clean cuts up to 200" guaranteed to within 0.03" over the entire length of the cut.

Features

- Accurate to within 0.03" over the length of the cut
- Simple, easy to use design
- Rubber strips on the underside of the cutter bar grip any surface without marking
- Use on any table, counter, or work surface
- Patented linear bearings have been test run under load for 1000 miles
- Uses standard utility blades - no expensive special blades to buy
- Blades change in seconds without tools
- Cuts foam centered board up to 0.5" thick
- Cuts PVC foamboard up to 0.25" thick
- Cuts honeycomb and corrugated plastics
- Cuts vinyl and plastic film
- Cuts cardboard & corrugated cardboard
- Cuts flexo plates up to 0.3" (unprocessed and processed)
- Ergonomically contoured cutting head allows operator to comfortably push or pull it along to cut
- Cutters are fitted with two full-length rubber strips on the underside that grip the surface without marking.
- Includes 100 standard medium duty blades that can be changed in seconds with no tools.

- 5 year comprehensive warranty
- 20 year free replacement on all bearings
- Comes with wall-mounted brackets for storing cutters out of the way.
