DISCONTINUED Print shops, newspapers, mailrooms, schools, parts departments, stock rooms, binderies and many other places in industry benefit from using Rosback utility stock truck bindery equipment. Rosback stock truck bindery equipment are heavy-duty, quality built, and are ideal for product movement or storage.

This stock truck is sturdy and rugged with metal shelves that lift up and lock out of the way for easier loading, or when moving bulky stock loads. Shelves are tilted toward the back to help prevent spilling when loads are moved. This stock truck is designed to handle additional shelves to suit your loading requirements. Plus all our bindery equipment stock trucks are designed to handle up to 800 pounds. A great utility accessory unit for your bindery.
