The PowerHouse PF17A Automatic paper folder is the most easy to use fully automated set up paper folder on the market today. Just press a button and choose from six common fold types and the paper folder will do all the set up for you. It automatically senses your paper size (letter, Legal, 11" x 17") In addition to the easy set up the PF17A is fast. It folds up to 12,240 sheets an hour. If you want to store a custom fold or are using a non standard paper size, you can store up to 36 custom folds.
