[42PSR916CL]

Your Price: $13.66

Prices and specifications are subject to change. Click the link to view the latest information: 9/16" I.D. Clear Plastic Snap Rings

Our clear plastic snap rings have an easy to use one piece snap closure design. Simply press them closed to hang signs from wire or monofilament or to make light weight sample swatches. There are 100 rings per package.

Features

- Rings have a 5/8 inch inside diameter when they are opened and when they are closed the inside diameter is 9/16 inch. The total outside diameter is 7/8 inch.
- Rings have a 9/16” (13.5 mm) inside diameter.
- Rings are made of tough Delrin thermoplastic.
- Use to fasten swatch books, brochures, and light-weight signs.
- Use as low-cost and highly finished alternative to steel snap rings.
- Shipped in open position for quick assembly.
- Light weight yet very durable.
- Locks securely, yet the fastening is nearly invisible once closed.
- Can be reopened and reused.
- **Sold in packages of 100.**
