With its adjustable full-size rollers, this heavy-duty electric coil inserter makes coil inserting surprisingly fast and easy, even on the extra-large diameter sizes. The Finish-a-Coil M is ideal for operators that demand versatility and productivity. It's a must for all binding centers with large workloads.

Features

- Clear crimper compartment provides storage and helps to ensure that your crimping pliers don't get lost.
- Spiral Coil Diameter Scale: Helps to verify the coil diameter size.
- Spiral Coil Diameter Selector: To best select the correct coil diameter size corresponding to the thickness of your document.
- Foot Pedal Operated: Allows the free use of both hands and grants the operator complete control of the roller.
- Pitch identifier: Verifies that the coil pitch matches that of the punched document.
- Adjustable Roller mechanism: For easier insertion of larger diameter coils.
- U-shaped Alignment Channel: Aides in conforming the spine of larger diameter documents to the coils shape, for a faster and easier insertion.
- Coil Crimpers: Included with every unit.
- Manual Crimping
- Electric inserting
- Motor: Heavy-Duty
- Inserting Roller: Full size 11-3/8" EPDM roller
- Binding Capacity: Up to 50mm (1-7/8")
