These poster spines are a cost-effective solution for hanging lighter-weight posters. A wide opening at the bottom accepts thick stock, but, with internal gripping fins, the Superrail 2 tightly grips thinner stock as well.

Banner clips are sold separately.

Features

- Superrail is made from clear PVC in 36" or 48" lengths.
- To provide a hanging point, use [universal banner clips](#), [banner clips](#), or [economy banner clips](#). Sold separately.
- Superrail grips sign stock from 0.020" to 0.080" thick.
- Use at the top of posters to stiffen and to create a hanging point with banner clips.
- Use at the bottom of posters to add weight and prevent curling and bowing.
- Sold in packs of 10.
