The Multi-Finisher binds books with plastic combs, plastic spiral coils, or twin-loop wires. It is the perfect companion to any multi-purpose punching machine with interchanging dies.

Note: This machine does not contain a punch. It is intended to be used with a separate multi-purpose punch.

Features

- The manual comb spreader binds up to 2 inch thick by 11 inch long combs.
- The electric coil inserter can insert up to 22mm diameter coil of any length.
- The manual wire closer can close 3:1, 2:1, and 19 loop wire up to 1.25 inch diameter. The open-ended throat allows closing of any length wire.
